Platinum Jubilee Evening Celebration – 2nd June 2022

The Beacon was installed on 30th May ready for the 2nd June celebration

The “Village Crier” (John Dann) and the Eastbourne Scottish Pipe Band marched from the Village Green to the Recreation Ground where a crowd had already gathered.

As night fell, the pipers performed a specially written Jubilee anthem “Diu Regnare”

Then it was time to light the beacon at 9:45 pm, one of over 3000 beacons being lit around the United Kingdom and across the Commonwealth

**Finally, the evening finished with a firework display
