

Date: 5th July 2018

Title: Report Item 6 – Risk Assessment

By: K Larkin (Parish Clerk)

Purpose: To provide an overview of the council's Risk Assessments

Recommendations: To note the risk assessments and consider any amendments

The council's current Risk Management Strategy dates from June 2016, but has been reviewed annually. The council is invited to consider whether any amendments are currently necessary.

Since last year, the council has revised its Emergency Plan, and as part of that exercise has carried out a prioritisation of the kind of risks that might give rise to an emergency in the parish. It is suggested that this prioritisation be noted and adopted as an addition to the general Risk Management Strategy.

The extended draft Strategy is being circulated with this report.
